foreword

Life unfolds in embryo . . . Through Baptism, spiritual resources become active in the soul; through study, intellectual achievements are accomplished; and with physical growth, manhood and womanhood are reached.

In today's world, as a consequence of the Ecumenical effect on all people, we students must, very early in our lives, aim at a maturity that develops our potential to a maximum. With all the resources at our command, we cannot but become aware and also become involved in a culture which demands of us the best in order that our religious inheritance translated into a new environment may become the source of all our strength. We need this force of action to go on, to influence our Christian brethren and to attain everlasting goals.

We hope, that our ANNUAL portrays in its own way, our awareness and involvement in this great task.

rev. j. clark george

Dear Father George,

We have come to know you, to esteem you and to admire you in our four years at Bishop McGort High School. We have grown wiser with the knowledge you have made available to us; better citizens with the integrity and zeal for righteousness you have upheld to us; and truer Catholics for the devotion we have seen in your heart for HIM.

We have regarded your sterling qualities of leadership, your high standards for scholarship, and your many efforts to light our way to achievement.

For all these, WE THANK YOU. We trust that you will find success and fulfillment in your new assignment. We will remember you always where remembrances are best . . . in His Sacred Heart.

Starry-eyed and excited, two senior couples prepare to enter the Christmas atmosphere.

candlelight in

A major part of any big dance is the preparation and serving of refreshments. Despite confusion in this room, the freshman girls did a nice job in that department.

On December 30, 1966 The Class of '67 at Bishop McCort presented "Candlelight in the Pines" at the Holiday Inn's Heritage Room. Music provided by the George Arcurio Jr. Combo, and the artistic decorations supplied by the senior class, gave this new setting a Christmas gleam. Another evening long to be remembered.

It hopes to expand in future years to cover other area high schools.

to the athletic association of johnstown

In behalf of the faculty and students here at McCort we, the Memories staff, wish to extend to you our sincere thanks and appreciation for your financial assistance and for any other help you have given to our athletic department. Without your backing, those outstanding qualities needed for good sportsmanship could not have been developed in our athletes. It is these qualities which produced an All-American Pete Duranko, and many others whose fame and sterling qualities of manliness are not always publicly proclaimed.

Again, we thank you and hope you will continue to be our No. 1 friend.

February 3 was officially "Pete Duranko" day at Bishop McCort. The Student Council, with the faculty, extended their warmest welcome to the All-American former graduate of Bishop McCort. From the select guests present, Pete was presented a radio, his old football shirt, and a plaque, honoring his achievement as a real "Christian Crusher."

It is not often that a school is so honored as was Bishop McCort. Out of appreciation a program was presented which we hope will never be forgotten by Mr. Duranko. We are confident that the students at McCort will share its memory for a long time to come.

Among the honored guests at the testimonial were: Dr. Katter, All-American Jim Lynch, Coach Al Fletcher, Pete Duranko, Father Hovanec, Bill Figura, and Phil Lope.
